

Together

Whenever I'm in trouble and I don't know what to do
My friends will always help to pull me through
Together – we can make everything good
Together – the world will be as it should
If we stick like glue, just think what we could do
We will reach the Emerald City, if I've got my best friends with me!
Together – we'll find the things that we've lost
Together – we'll meet the Wizard of Oz
We will colour every rainbow and follow every dream
'Cos together we're a team
