

## Can't Stop the Feeling

I got this feeling inside my ear  
It goes electric, wavy at this time of year  
It's every Christmas, inside your soul  
just open up your heart and let it take control

I got that sunshine in my pocket  
Got that good soul in my feet  
I feel that hot blood in my body when it drops, ooh  
I can't take my eyes up off it, moving so phenomenally  
Room on lock the way we rock it, so don't stop

There is a place where everyone goes  
Dim the lights 'cos we're getting real close  
It's the time for the start of the show  
So just imagine, just imagine, just imagine

Nothing like a pantomime make you dance, dance, dance  
Having us a real good time  
So just dance, dance, dance, come on  
Dreams n wishes comin' true  
When you dance, dance, dance  
And ain't nobody leaving soon, so keep dancing

I can't stop the feeling  
So just dance, dance, dance  
I can't stop the feeling  
So just dance, dance, dance, come on
