Cinderella **Audition Piece 1**

Buttons Hiya everybody, hello Cinderella!

Cinderella Hello Buttons, isn't it a lovely day?

Buttons It certainly is. Hey, didn't you have your trial with the Ladies Football Team today? How did it go?

Cinderella I didn't get in. They said I kept running away from the ball.

Buttons Oh dear. But good old Cinderella, you're always smiling.

Cinderella Sorry, I can't stay. My sisters called, they've been up the Centre shopping and they have a ton of bags for me to carry. I have to meet them at the station and you know how cross they can be. Why don't you say hello to the boys and girls? Bye everybody! *(Exits USL.)*

Cinderella **Audition Piece 2**

Sanitizia You're just a scruffy little servant girl; you'll never get to go to a proper Ball. You can't begin to imagine what it's like!

Cinderella Oh but I can dream! There'd be candle light... beautiful gowns.... The music! It'd be so romantic. And as you come down a magnificent staircase, your eyes meet his, across a crowded room. And you know, you know from that very moment that you were made for each other. You cross the room; he takes you in his arms and you dance across the floor. And everything else seems to disappear, the stars seem brighter in the sky and you feel like you're floating in the clouds.
