

**Quarantina**

**Audition Piece**

**Sanitizia**      Alright, calm down everyone. What a bunch of scruffs...

**Quarantina**    Two years later and this place is still a dump!

**Sanitizia**      ... I am Sanitizia.

**Quarantina**    And I am Quarantina.

**Sanitizia**      We are sisters.

**Quarantina**    Twins actually. As you can see, we're identical. We're so close we even finish each other's...

**Sanitizia**      *(Interrupting,)* sandwiches.

**Quarantina**    Sentences.

**Sanitizia**      We have that thing where twins instinctively know what each other's...

**Quarantina**    PIN number is.

**Sanitizia**      ...thinking! You know what my PIN number is?

**Quarantina**    Of course not babes. There is of course an easy way to tell us apart. She's the stupid one...

**Sanitizia**      ...and she's the ugly one. Now, I want a word with you Bottoms.

**Buttons**        My name isn't Bottoms, it's Buttons.

**Quarantina**    Whatever.

**Sanitizia**      Someone's been stealing my secret stash of chocolate, was it you?

**Buttons**        Of course not! I don't even know where it is.

**Quarantina**    Its in her dressing table, bottom left side, in her knicker drawer.

**Sanitizia**      That's right it's... hang on, how did you know that? You've been eating it, haven't you? No wonder you're so fat!

**Quarantina**    Me? Honestly, you are so rude. You should be more like me, well-bred and cultured. *(SFX: Burp.)*
