Colour My World

You'll never see a dark cloud hanging 'round me
Now there is only blue skies to surround me
There's never been a grey day since you found me
Everything I touch is turning to gold

Oh, you can colour my world
With sunshine yellow each day
Oh, you can colour my world
With happiness all the way

Just take the green from the grass
And the blue from the sky up above
And you can colour my world
Just paint it with your love
Just colour my world
